Why choose **Connexions Traded Services?**

CTS provides a flexible service that is -

- **Tailored to the needs of the school and its students**
- **Independent and impartial**
- **Available to buy in a range of packages**
- **Quality assured through regular professional practice monitoring**
- **Delivered by local staff with local knowledge**
- **Beneficial in helping institutions meet Ofsted expectations for the effective provision of careers guidance for all year 8 -13 students**

Our careers advisers all hold a level 6 qualification in information, advice and guidance and have enhanced DBS clearance.

"The adviser developed a programme of activities that ensured all our students were aware of the full range of options open to them and were well prepared to plan their own future pathways."

Head of KS4, Specialist Academy, Birmingham

"Our students benefitted greatly from the availability of one-to-one careers guidance. It helped them make clearer, more effective decisions about the choices open to them, both within the school 6th form and beyond."
